Under the Aegis of Karnataka Ophthalmic Society

Is pleased to invite you to the

BOS SUMMIT 2013

At

the Sheraton Bangalore Hotel at Brigade Gateway

26/1, Dr. Rajkumar Road, Malleswaram West
Rajajinagar, Bangalore – 560055, Karnataka, India.

The Bangalore Ophthalmic Society (BOS) is pleased to put together a veritable feast of Ophthalmic knowledge in the first ever two-day BOS Summit to be held on the 24th and 25th of August 2013 in Bangalore.

The Summit promises instruction courses from a wide congregation of state and national faculty, as well as international speakers like Prof. Roger Beurmann. In addition to wetlabs, interactive sessions and discussions on the medico legal aspects of Ophthalmology and TPA-insurance related issues are the highlights. This two day summit will give you a lot to take back to your day-to-day practice through the rich clinically oriented scientific program.

Browse through a large variety of trade stalls at the venue and interact with the manufacturers and distributors directly.

Enjoy the cool weather and warm hospitality of Bangalore at the Sheraton Hotel, shop at the Orion mall, enjoy a movie or a quiet dinner with family and friends at the PVR Theatres and fine dining restaurants, all next door to the conference venue.

Do join us on the 24th and 25th of August 2013 for this amazing event.
