PG Update for Postgraduates in Ophthalmology

Dear Postgraduate,

Warm greetings from Sankara Eye Hospital, Bangalore.

We have a great pleasure in inviting you to the 3rd Eye – Postgraduate Update in Ophthalmology.

The course is designed with emphasis on clinical skills and uses a combination of lectures, demonstrations and videos to help you understand the concepts and nuances of diagnosis and management of common eye conditions which would help you in your examinations and further in your clinical practice.

We would be conducting this update under the aegis of the Bangalore Ophthalmic Society and the Karnataka Ophthalmic Society.

The content for the Post Graduate refresher course has five domains to facilitate exposure and evaluation of basic competencies in clinical care.

- ▶ Basic Eye Examination
- ▶ Decision Making in Clinical Conditions
- ▶ Demonstration of Equipments in Routine Ophthalmic Care
- ▶ Recent Advances in Ophthalmology
- ▶ Review of Clinical Skills by Experienced Examiners

Dr. Meena Gopinath
Consultant Glaucoma Services
Course Coordinator

Eminent Faculty from Sankara Eye Care Institutions and from various parts of Southern India would share their expertise with the delegates.
